## November Class Highlights

This month, students finished the first half of their AUAP classes and had many opportunities to work with CWU students.

The biggest highlight this month was the AUAP Mock Job Interview activity. Students learned about and practiced American style job interviews from all angles. They played the part of an interviewer by asking questions and selecting the best candidate, the interviewee by doing their best to connect skills and experiences to the job, and an observer by listening and offering their opinion on which candidate to select. CWU students provided feedback.

In IES class, students gave presentations about their Global Service Learning Project. Students met in mixed section classes to share their experiences, what they've learned, and how volunteering has helped them learn more deeply about Ellensburg and themselves. Every student did a great job sharing pictures and details from their GSL.

In Functions class, students had a chance to practice using problem solving skills and learned important vocabulary that helped them during their individual travels during Thanksgiving break.

In CD class, AUAP students had fun interviewing a variety of CWU employees who came to class to share about their job duties and answer questions that the students had for them. This is a great way for students to learn more about the US workplace.

## Monthly Summary

今月、感謝祭の5連休は学生たちの楽しみだった。内訳は、アメリカ人の友達の家で過ごした(16人)、太平洋岸北西部を旅行した(20人)、サンフランシスコ(1人)、ニューヨーク(1人)、CWUに残った(7人)。IPAは一人ずつと時間を作り、この留学プログラムをどのように最大限に活用できるか話し合った。国際教育週間が11月14日に開催され、他国の文化を外国人留學生から学び、11人のAUAP生が日本についてプレゼンテーションをした。アンバサダー・アワード取得を目指している3人のAUAP生はボランティア仲間を募り、CWU日本語クラスの手伝い、AUAPオフィスのクリスマスの飾り付け、地元のイベントでの折り紙体験コーナー設置を行った。CWU校内スポーツではサッカーが準決勝戦で負け、バスケットは2位になった。

## November Student Services Highlights

The most exciting part of the month was Thanksgiving Break, when students had a 5-day holiday break. Many activities this month also had a Thanksgiving theme. For the break, 16 students stayed at an American friend's house, 20 traveled within the Pacific Northwest, one went to San Francisco, another to New York, and seven stayed at CWU. IPAs also meet 1-on-1 with each student to help them get the most out of their experiences.

International Education Week was November 14th, and AUAP students learned about cultures from around the world from other international students who lived there; Eleven AUAP students also gave poster presentations about Japan and their lives at home!

Three students working towards their Ambassador Awards recruited peers for volunteer projects they are leading--tutoring CWU students learning Japanese, decorating the AUAP office for Christmas, and providing an origami table for an event downtown. Quigley Hall had their Japanese Culture Night in November complete with a student presentation about Japan. CWU Intramural Sports ended this month with the YAMATO soccer team losing in the semi-final game, and a basketball team with an AUAP student member finishing 2nd.
